Madhur has over 20 years of experience in middle market IT and software Mergers & Acquisitions and Consulting.

Prior to joining Excendio, Madhur worked in various senior transaction advisory and middle market SME roles at firms such as Citibank, Barclays, Lehman Brothers, New York Life, KPMG, Moody's and KBRA.

He has worked extensively with companies in the \$10MN-\$1BN revenue range across a range of strategic initiatives including exits and acquisitions, working capital optimization, IT implementation, financial planning, valuation and debt restructuring. Middle market businesses are personal and can often be someone's passion and life's work. As such, Madhur focuses not just on the specifics of the transaction, but also on how it fits into the life goals of the owner and the importance of career transition for them.

Madhur will often connect founders looking to exit with the right industry participants to ensure founders can confidently exit knowing they've maximized their business's value, gaining the clarity, confidence, and peace of mind they deserve.

Madhur has a PhD in Financial Economics from UC Berkeley, Haas School of Business. He lives with his wife and son in New Jersey. He loves tennis, wine, the outdoors and spending time with family and friends.
